VICE PRINCIPAL' MESSEGE

Mr. Narendra Pratap Singh

Parents and guardians are earnestly requested To fully cooperate with the school authorities concerning the formation and education of their children. We strongly recommend the parent / guardians to look in to their children's every evening and to see that lessons and home work assigned for the next day are neatly done.

The children should be encouraged to cultivate Neatness habitually and slovenliness should be firmly disapproved of.

Parents are expected to show great respect and courtesy while dealing with the teachers or higher authorities like Principal or Manager.

These we can strongly suggest students should behave in a decent manner on their way to any form school. Students are responsible to the school authorities not only for their conduct in the school but also for the general behavior outside the school. Any report of objectionable conduct on the part of the students makes them liable for disciplinary action. The principal may punish an erring student in a manner suited to the offence. By detention after the class hours, or by expulsion from the school. Without justifying his/ her action.

Dear everyone,

Welcome to Apex School.

Teaching is one of the most noble professions. It is a career which not only helps a child gain knowledge about various subjects and domains but also helps a child recognize his strengths and weakness helping him/her to become a better human being.

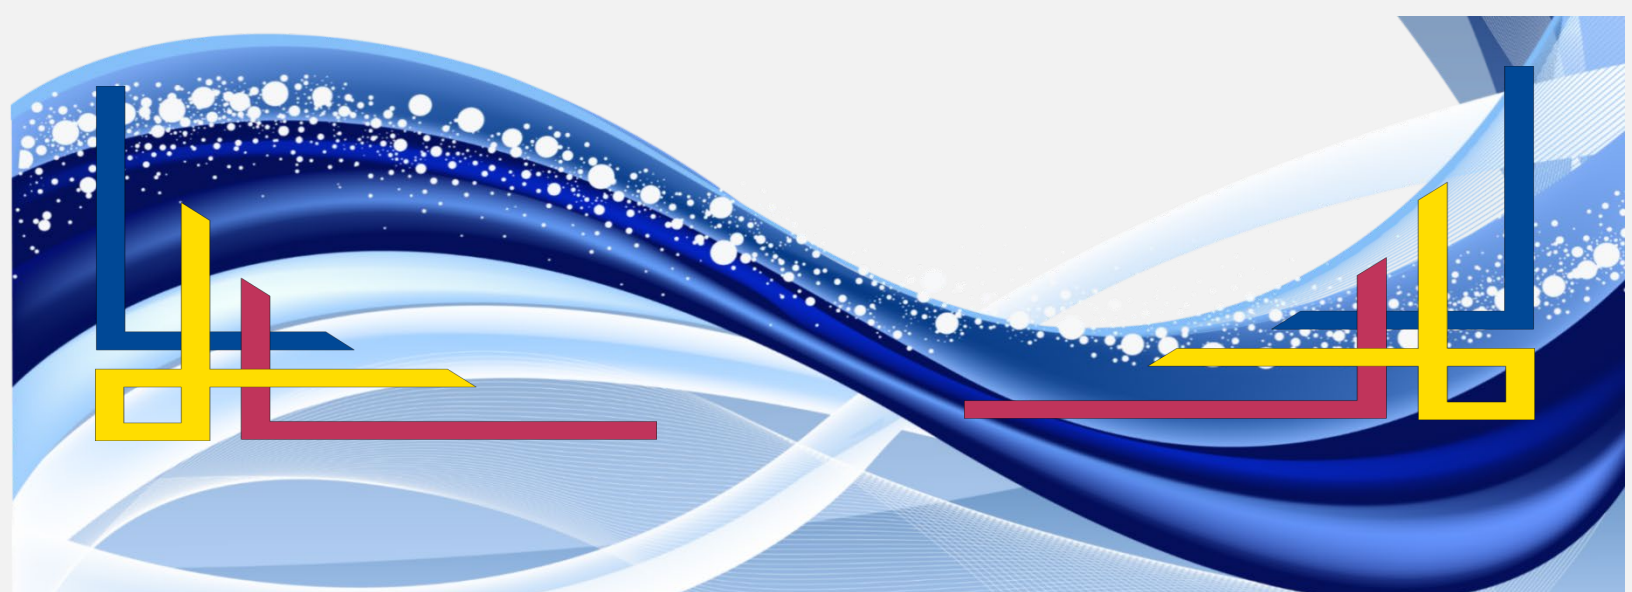

The vision of Apex school is to provide an excellent opportunity to the students and parents looking for holistic development. We build not just the buildings and classrooms but we have created the ecosystem and environment for learning and education. The school is dedicated to prepare conscientious and responsible citizen with a sense of integrity and honesty.

There is a voice inside of you that whispers all day long. "I feel this is right for me, I know that is wrong." No teacher, preacher, parents, friend or wise man can decide what's right for you; just listen to the voice that speaks inside.

I must mention that we are proud of having a team of talented and dedicated teachers who are experts in their respective subjects. They are the real assets of the school.

We gratefully acknowledge your trust and confidence deposited in Apex school by giving us an opportunity to serve you and your children in a better way. Once again I wish all the students, parents, and guardians for better co-operation and great success.
